

TCS Dental Appliance Cleaner

: Used to clean dental appliances

Safety Data Sheet Prepared according to Federal Register / Vol. 77, No. 58 / Saturday, May 16, 2015/ Rules and Regulations Revision date: 5/16/15 Version: 1.0

SECTION 1: Identification of the substance/mixture and of the company/undertaking

Product identifier 1.1.

: TCS Dental Appliance Cleaner Product name Product form : Powder Other means of identification : Denture Cleaner

Relevant identified uses of the substance or mixture and uses advised against 1.2.

Use of the substance/mixture

Details of the supplier of the safety data sheet 1.3.

Thermoplastic Comfort Systems, Inc 2619 Lime Ave. Signal Hill, CA 90755 (562)-426-2970

1.4. **Emergency telephone number**

No additional information available

SECTION 2: Hazards identification

Classification of the substance or mixture 2.1.

GHS-US classification

Not classified

2.2. Label elements

GHS-US labelling

No labelling applicable

2.3. Other hazards

No additional information available

Unknown acute toxicity (GHS-US) 2.4.

No data available

2.5 Carcinogenicity

This material is not considered to be a carcinogen by the National Toxicology Program, the International Agency for Research on Cancer, or Occupational Safety and Health Administration.

SECTION 3: Composition/information on ingredients

3.1. Substance

Not applicable

3.2. Mixture

Name	Product identifier	%
Contains no hazardous ingredients at levels requiring disclosure by the OSHA Hazard Communication Standard (29 CFR 1910.1200).		100

SECTION 4: First aid measures

4.1.	Description of first aid measure	es
First-aid m	neasures general	If exposed or concerned, get medical attention/advice. Show this safety data sheet to the doctor in attendance. Wash contaminated clothing before re-use. Never give anything to an unconscious person.
First-aid m	neasures after inhalation	: IF INHALED: Breathing dust may irritate the nose and throat and cause coughing and chest discomfort. Remove to fresh air and keep at rest in a comfortable position for breathing. Give artificial respiration if not breathing. Get immediate medical attention if feeling unwell.
First-aid m	neasures after skin contact	: IF ON SKIN (or clothing): Remove affected clothing and wash all exposed skin with water for at least 15 minutes.
First-aid m	neasures after eye contact	: IF IN EYES: Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do so. Continue rinsing.
First-aid m	neasures after ingestion	: IF SWALLOWED: rinse mouth thoroughly. Do not induce vomiting without advice from poison control center or medical professional. If conscious, give water. Get medical attention if you feel unwell. Do not give anything by mouth to an unconscious or convulsing person.
4.2.	Most important symptoms and	effects, both acute and delayed
Symptoms	s/injuries	: Not expected to present a significant hazard under anticipated conditions of normal use.
Symptoms	s/injuries after inhalation	: May cause respiratory irritation.
5/16/15		TCS Dental Appliance Cleaner Page 1

TCS Dental Appliance Cleaner Safety Data Sheet Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Symptoms/injuries after skin contact	
, , , , , , , , , , , , , , , , , , ,	: May cause skin irritation.
Symptoms/injuries after eye contact	: Direct contact with the eyes is likely to be irritating.
Symptoms/injuries after ingestion	: May cause gastrointestinal irritation.
4.3. Indication of any immediate me	edical attention and special treatment needed
No additional information available	
SECTION 5: Firefighting measur	es
5.1. Extinguishing media	
Suitable extinguishing media	: Carbon dioxide. Dry powder. Foam. Sand. Water spray.
0 0	
5.2. Special hazards arising from th	
Fire hazard	: Product is not flammable.
Explosion hazard Reactivity	 Product is not explosive. No dangerous reactions known under normal conditions of use.
	. No dangerous reactions known under normal conditions of use.
5.3. Advice for firefighters	
Firefighting instructions	: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Do not dispose of fire-fighting water in the environment. Prevent human exposure to fire, fumes, smoke and products of combustion. Avoid contact with sprayed water - material slippery when wet.
Protection during firefighting	: Do not enter fire area without proper protective equipment, including respiratory protection. Self-contained breathing apparatus.
SECTION 6: Accidental release r	measures
6.1. Personal precautions, protectiv	ve equipment and emergency procedures
General measures	: No specific emergency measures are required other than good laboratory hygiene and safety practices. Avoid exposure to fumes from processing material while hot.
6.1.1. For non-emergency personnel	
Protective equipment	: Wear Protective equipment as described in Section 8.
6.1.2. For emergency responders	. More exitable exected in all the extension and ever an fear wester the
Protective equipment	: Wear suitable protective clothing, gloves and eye or face protection.
6.2. Environmental precautions Prevent entry to sewers and public waters.	Notify authorities if product enters sewers or public waters. Avoid release to the environment.
6.3 Methods and material for conta	
	ainment and cleaning up
For containment	
For containment	 ainment and cleaning up Contain and collect as any powder Sweep or shovel solid into appropriate container for disposal. Place in a suitable container for

Exposure controls	 ainment and cleaning up Contain and collect as any powder Sweep or shovel solid into appropriate container for disposal. Place in a suitable container for disposal in accordance with the waste regulations (see Section 13). ge 2. Do not handle until all safety precautions have been read and understood. Wear recommended personal protective equipment. Provide appropriate exhaust ventilation at places of dust forming. Avoid breathing vapors from heated material. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. cluding any incompatibilities 3. Store in a dry, cool and well-ventilated place. personal protection 4. Provide adequate general and local exhaust ventilation. Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits. Ensure adequate ventilation, especially in confined areas. 5. Not needed under normal usage

TCS Dental Appliance Cleaner

Safety Data Sheet

Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Respiratory protection

: Not needed under normal usage

SECTION 9: Physical and chemical properties		
9.1. Information on basic physical and chemical properties		
Physical state	: Powder	
Appearance	: Free flowing solid	
Color	: White	
Odor	: None	
Odor Threshold	: No data available	
рН	: No data available	
Relative evaporation rate (butylacetate=1)	: Slower than Butyl Acetate	
Melting point	: No data available	
Freezing point	: No data available	
Boiling point	: Decomposes	
Flash point	: No data available	
Auto-ignition temperature	: No data available	
Decomposition temperature	: No data available	
Flammability (solid, gas)	: No data available	
Vapour pressure	: Not applicable	
Relative vapour density at 20 °C	: Heavier than air	
Relative density	: No data available	
Solubility	: Water: Negligible	
Log Pow	: No data available	
Log Kow	: No data available	
Viscosity, kinematic	: Not applicable	
Viscosity, dynamic	: Not applicable	

Viscosity, dynamic : Not applicable Explosive properties : No data available

Explosive limits

9.2. Other information No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity

Oxidising properties

No dangerous reactions known under normal conditions of use.

10.2. Chemical stability

Stable under use and storage conditions as recommended in section 7.

10.3. Possibility of hazardous reactions

None known.

10.4. Conditions to avoid

Moisture

10.5. Incompatible materials

None known.

10.6. Hazardous decomposition products

None known.

SECTION 11: Toxicological information

11.1. Information on toxicological effects		
Acute toxicity	:	Not classified
Skin corrosion/irritation	:	Not classified
Serious eye damage/irritation	:	Not classified
Respiratory or skin sensitisation	:	Not classified
Germ cell mutagenicity	:	Not classified
Carcinogenicity	:	Not classified
Reproductive toxicity	:	Not classified

TCS Dental Appliance Cleaner

: No data available

: No data available

TCS Dental Appliance Cleaner Safety Data Sheet Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Specific target organ toxicity (single exposure)	:	Not classified
Specific target organ toxicity (repeated exposure)	:	Not classified
Aspiration hazard	:	Not classified
Symptoms/injuries after inhalation	:	May cause respiratory irritation.
Symptoms/injuries after skin contact	:	May cause skin irritation.
Symptoms/injuries after eye contact	:	Direct contact with the eyes is likely to be irritating.
Symptoms/injuries after ingestion	:	May cause gastrointestinal irritation.

12.1. Toxicity	
No additional information available	
12.2. Persistence and degradability	
No additional information available	
12.3. Bioaccumulative potential	
No additional information available	
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
12.5. Other adverse effects No additional information available	
SECTION 13: Disposal consideration	15
13.1. Waste treatment methods	
Waste treatment methods	: Do not discharge to public wastewater systems without permit of pollution control authorities. No discharge to surface waters is allowed without an NPDES permit.
Waste disposal recommendations	: Dispose in a safe manner in accordance with local/national regulations. Do not allow the product to be released into the environment.
SECTION 14: Transport information	
In accordance with DOT	
Not hazardous for transport	
Additional information	
Other information	: No supplementary information available.
Transport by sea	
No additional information available	
Air transport	
No additional information available	
SECTION 15: Regulatory information	 1
15.1. US Federal regulations	
TCS Dental Appliance Cleaner	
	ed in the EPA (Environment Protection Agency) TSCA (Toxic Substances Control Act) Inventory
SARA Section 311/312 Hazard Classes	None
15.2. International regulations No additional information available.	
-	

This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

SECTION 16: Other information		
Indication of changes	: Revision 1.0: New SDS Created.	
Revision date	: 05/16/15

Safety Data Sheet

Personal Protection

Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

:

NFPA health hazard	: 1 - Exposure could cause irritation but only minor residual injury even if no treatment is given.
NFPA fire hazard	: 0 - Materials that will not burn.
NFPA reactivity	: 0 - Normally stable, even under fire exposure conditions, and are not reactive with water.
HMIS III Rating	
Health	: 1
Flammability	: 0
Physical	: 0

All information, recommendations and suggestions appearing herein concerning this product are based upon data obtained from the manufacturer and/or recognized technical sources; however, Thermoplastic Comfort System, Inc. makes no warranty, representation or guarantee as to the accuracy, sufficiency, or completeness of the material set forth herein. It is the user's responsibility to determine the safety, toxicity and suitability of his/her own use, handling and disposal of the product. Since actual use by others is beyond our control, no warranty, expressed or implied, is made by Thermoplastic Comfort System, Inc. as to the effects of such use. Thermoplastic Comfort System, Inc. does not assume any liability arising out of use by others of the product referred to herein. The data in this Material Safety Data Sheet relate only to the specific material designated herein and does not relate to use in combination with any other material.
